September's theme: *Why can we trust God? **Everything God does is for His glory & our good.***

When new information is varied in delivery, interweaved in multiple contexts, & practiced over time, it sticks better. Children's Church is just one part of the process; what we do at home makes the learning "stickier"! Here are some things you can do after each Sunday morning to take the lesson deeper.

- Read the Bible story out of your child's Bible.
- Use the DAKids weekly email discussion questions.
- Ask your child to "teach" you the lesson.
- Say the memory verse together at breakfast or at bedtime.
- Share a personal example of how you are learning to trust God. →

Our next special event is Fall Family Fun Day! We'll be talking with the kids about how they can be a part of this community outreach. Our main FFFD goals for the DAKids will be:

1. to have the kids pray about which friends they can invite to attend with them,
2. to coach the kids through how they can bless others at the event, and
3. to have the kids help us "build" some kid-oriented free raffle baskets.

Check the DAKids weekly emails all through September for specific action steps. ←

Hang the September memory verse somewhere you will see it often!

**The LORD is good
and his love endures
forever; his faithfulness
continues through all
generations.**

Psalm 100:5
